## FROM YOUR PASTOR

Happy Epiphany! Happy New Year! In January we have much to celebrate the Magi arrive from the East. Two years after Jesus divine Birth. The Baptism of our Lord on the following Sunday. We flip our calendars to a new year which many of us aptly see as a chance for new beginnings. We have 365 new opportunities to do things better than we did last year. Many of us make a variety of resolutions or promises to improve our lives, health, finances, relationships or some other important facet of our lives.

This January, in particular, we take a few moments to reflect upon many things in the life of St. John's. We give thanks to our out going, President Paul Kowalczyk. He has done a good job often going above and beyond the duties of President and serving as Trustee, maintenance man and assistant grounds keeper to John Chladon. So as Paul prepares to pass the baton to Dan Starry. We say thank you to Paul for the multitude of things you have done to serve your Lord and Savior. Not the least of which is being part of the call committee and administrative process to bring St. John's its newest Pastor in a string of nearly a dozen pastors in the life of St. John's. Scripture has a few words about the carrying out of One's duties.

<sup>15</sup> Let the peace of Christ rule in your hearts, since as members of one body you were called to peace. And be thankful. <sup>16</sup> Let the message of Christ dwell among you richly as you teach and admonish one another with all wisdom through psalms, hymns, and songs from the Spirit, singing to God with gratitude in your hearts. <sup>17</sup> And whatever you do, whether in word or deed, do it all in the name of the Lord Jesus, giving thanks to God the Father through him. <sup>23</sup> Whatever you do, work at it with all your heart, as working for the Lord, not for human masters, <sup>24</sup> since you know that you will receive an inheritance from the Lord as a reward. It is the Lord Christ you are serving.

So we give thanks as Paul has set the example and fulfilled these words from Colossians Chapter Three.

In Christ's service to you his beloved Children,  
Pastor Joe

## HAPPY NEW YEAR!

**A New Year With The Lord**– M.S.Lowndes

A new year is about to unfold  
 With new opportunities to explore  
 Doors will open for new experiences  
 New adventures with the Lord  
 Remember not the former things  
 The things of this past year  
 The Lord will do new things in us  
 Much more than we are aware  
 For He will make a way for us  
 As we put our trust in Him  
 And He will guide our every step  
 By His presence we have within  
 What God has placed within our hearts  
 We find we'll be able to do  
 If we look for the opportunities  
 We'll see the door to go through  
 We mustn't let anything hold us back  
 But rise up and take our place  
 And be all that God wants us to be  
 With a fresh touch of His grace!

## DISASTER UPDATE—Karen Ann Kowalczyk

As we look over the past year, I want to thank St. John's congregation for all the support they have given to the projects of Orphan Grain. You don't know how the items you have brought in have made a difference in many lives in those effected by the recent hurricanes. Maryland Orphan Grain Train had two trucks of supplies that went to the Carolinas and one truck left after Thanksgiving for Panama City FL. May God Bless those who have shared their blessings with those less fortunate.

Paul & I will be visiting the Panhandle of Florida, one of the places where Michael hit in February, so look for a report in the March

newsletter. Right now, I can tell you things in Panama City, FL are not very good. As of December 13th, people are still homeless sleeping in tents in one church backyard; one man was even sleeping in the cemetery. They recently had rain and wind which ripped the tarps off the roofs that were secured several weeks before. Please pray for these people as the agencies are trying to help with housing and helping to get things back to "normal".

Blessings to All in 2019,  
Karen Ann Kowalczyk

PRESIDENT'S CORNER—Daniel Starry

I hope you all had a Merry Christmas and enjoyed time with family and friends. In addition, I would like to wish each of you a happy and healthy New Year. With the start of 2019, St. John's enters into its 98th year of ministry. This would not be possible without the dedication and support of our members and of course, the grace of God.

I would like to take a moment to thank Paul Kowalczyk for serving as our Congregation President for the last four years. Despite numerous challenges, St. John's saw a number of improvements under Paul's tenure as President, including the calling and installation of Pastor Leech in June 2017.

I would also like to thank all those serving on Council for 2019. With the exception of myself as President, Don Roegge as Vice President, and the addition of Barry Gangwer as an elder, all other Council members retained their positions for the upcoming year and bring their wealth of experience to the table. Installation of officers will be conducted during the normal service on January 13th. The Council is dedicated to St. John's and all its members, and I ask for your prayers and support for the upcoming year as we work to continue to sustain and grow St. John's.

As the New Year begins, many people are making New Year's Resolutions in order to improve their lives. Have you made any resolutions? Do any of them include your faith or your Church? There are a number of opportunities here at St. John's for any age, any background, and any schedule. If you would like to volunteer but don't know how to get started, please see myself, Pastor, or any other council member, and we will be happy to help you find an opportunity that fits your talents and schedule. We're also happy to hear about new ideas that you may have to showcase your talents. One area where we will be looking for volunteers in the near future is to form a committee to begin planning St. John's Centennial Celebration. I encourage you to make 2019 the year to get involved. For all those that donate their time, gifts, and talents already, it does not go unnoticed, and it is much appreciated.
